

2010 PERFORMER INFORMATION AND APPLICATION PACKAGE

Formerly the *Red Roof Women's Music Festival*, we're now gearing up for our third annual women's festival with a new name, new look, and amazing new site to accommodate more women than ever before! We look forward to bringing the best female musicians from near and far to the **RAISE THE ROOF** stage for a fabulous weekend of unified spirit, camping and music. For more information on the festival, its purpose and ongoing updates, please visit the festival website at www.rrwmf.ca.

WHY SHOULD YOU SUBMIT?

There are far too few opportunities for women to perform and for women to enjoy and support women's music. We are hoping that RRWMF will grow to become the place to be to perform, and the place to be to enjoy the company of women who love music.
